

Capability Statement

Leadership Development | Executive Coaching | Team Building

V₂LS is a high-performing team of consultants, facilitators, and coaches whose mission is to improve the culture and performance of clients by offering the highest quality leadership development training and deep team building available to the private and public sectors.

As a Veteran Owned Small Business, we deeply understand the meaning of service. We are committed to providing the finest training services to create mutual wins for our clients and their employees.

What sets V₂LS apart from the competition?

- Decades of training and coaching experience
- Highly qualified and credentialed staff
- Client-focused solutions
- Proven track record of excellence

Core Capabilities

Our experts and business professionals analyze research, design and implement solutions in the areas of:

- Leadership development
- Training and facilitation
- Executive coaching
- Team building

Our Core Values

- **Integrity:** We believe in honest, transparent communication with each other and with our clients. We strive to do and say the right thing, even when it is difficult. We build trust and confidence through actions that are consistent with the commitments we have made.
- **Collaboration:** We are partners with our clients and our community, building relationships that allow us to work together to achieve transformation. We are proactive and open-minded in finding innovative, practical, win-win solutions. We seek and provide honest feedback both during and following our client interactions.
- **Passion:** We deeply believe in our mission of elevating the craft of leadership and transforming the cultures of our client organizations. We bring to every training event an enthusiasm that is contagious and inspirational, transmitting a spirit and passion for improvement to participants. We have fun doing the work we do.
